- Virtual Weekly Meditation Service -

Every Sunday at 9:00 am (during stay-at-home)

Impermanence - Everything Changes and adapt we must

During this "stay-at-home" time, our Sangha has begun conducting virtual Meditation Services each Sunday morning at 9:00 a.m.

In order to better serve everyone we've modified this service to include a 15 minute "Guided Meditation" with spoken instruction and direction for those new to meditation.

We invite you to join us every Sunday 9 a.m.

Just email rev.warrick@wrbt.org to receive an invitation and instructions. For audio/video connection all you need is internet access and computer or smartphone/tablet. For audio you need just a telephone.

We'd love to see you next Sunday.
